in short

TDI launches 'Wellington Heights' in Mohali
Taneja Developers & Infrastructures Ltd. (TDI), has launched 'Wellington Heights', luxurious & comfortable homes in-

the vicinity of Chandigarh. Located at the Chandigarh-Kharar road, in Sectors 117, 118 and 119, TDI City Mohali, Wellington Heights by TDI City comprise two, three and four BHK (bedroom, hall and kitchen) apartments. Speaking on the occasion Mr. Sanyam Dudeja, Chief Operating Officer (COO-Punjab),

Taneja Developers and Infrastructure Ltd. said, "Today innovation, intelligent designs and comfortable sustainable homes is what people look for while buying a property. Wellington Heights are plush green apartments by TDI city. They ensure that your need for comfort and sustenance are met,

without compromising on anything." It comprises a total of nine towers with 11 storey buildings. A company press release stated, there are 396 flats in total out of which the number of two BHK flats are 264 (1186 sq ft area), three BHK are 122 (1684 sq ft area), and four BHK are 10 (2333 sq ft area).
