

in short

Commercial hub at Nehru Place Metro station

The TDI group will develop a business cum recreation destination at Nehru Place Metro station.

TDI Town square will be designed as a retail hub for IT, white goods, car showrooms, banks and restaurants. Spread over two levels, the project will also have a dedicated parking lot and ample storage facilities to meet the requirements of commuters and retailers alike.

Development of the property is in full swing and fit outs have begun by many renowned brands.

Ireo launches Gurgaon Hills

Ireo, the first FDI investor dedicated to the Indian real estate sector has announced the launch of its project Ireo - Gurgaon Hills. Nestled amongst the lush green protected forest zones on the Gurgaon - Faridabad Road, Ireo Gurgaon Hills is

well connected to the business districts and is just a five minute drive from Gurgaon's prime Golf Course Road area on the one side and to South Delhi on the other.

Flanked by the protected Aravalli forests on one side and the magnificent backdrop of the non-buildable Delhi Ridge on the other, this low density project will house approximately 200 extra-spacious apartments and is spread over 11 acres. The tower blocks will have 3, 4, 5 BHK apartments ranging in size from 4,700 to 10,000 sq ft and is expected to be complete by 2015.

The luxurious, ultra-spacious 3BHK, 4BHK and 5BHK apartments are designed to provide maximum flexibility for internal space planning to suit individual tastes. Each apartment will also have the luxury of a private high-speed elevator, facilitating direct access from the grand entrance lobby of the tower to the apartment's dedicated private foyer. High-end double glazing of windows provide for sound proofing of interiors, as well as increasing air-conditioning efficiency.

Supertech forays into Gurgaon

After delivering projects at Noida, Meerut, Moradabad, Haridwar and Rudrapur, Supertech has announced the launch of its first project in Gurgaon called Araville - premium homes in Sector 79.

Speaking on the occasion, R K Arora, chairman and managing director, Supertech Limited, said "We are very happy to launch our first project in the millennium city. We always believe in delivering the best of quality projects to our customers, so with the launch of Araville, I am sure the residents will enjoy a luxurious peaceful living amidst the green panoramic view."

"We are sure that with our quality deliverables and commitment of providing the best of the services, we will win the heart of people of Gurgaon too and be able to surpass their expectations", adds Arora.

Araville is spread over an area of 10 acres of sprawling greens.
