TDI REAL ESTATE GROUP LAUNCHES

TDI Infrastructure group has announced the launch of 'Lakegrove' a township built around an artificial lake in Kundli, Sonapat. The township complete

with skyscrapers, highrises, independent villas and plots is nestled in the midst of a green expanse. The township offers 3 BHK and 3 BHK study, 4 BHK duplex

'LAKEGROVE' TOWNSHIP PROJECT IN KUNDLI, SONEPAT

and 4 BHK study duplex at competitive prices compared to similar housing options in the NCR. "We hope the township will attract people not only from North Delhi but also from other

adjoining areas," said Kamal Taneja, Managing Director of the group. "In this fast-paced life of modern times, our attempt is to offer something new and refreshing for our customers so that they

can live a life close to the nature," said Kamal Taneja, Managing Director of the group. The project is designed by the London based firm HOK, which also designed the T3 terminal.
