

TDI Launches Independent Floors - "My Floors" at TDI City, Panipat First of its kind independent floors in Panipat

Panipat, April 21, 2011: Real estate major, TDI launched Independent Floors by the name of My Floors- first of its kind in TDI City, Panipat . After the success of "My Floors"- Independent Floors in TDI City, Kundli and Mohali, TDI has now launched the similar type in TDI Panipat City also. These independent floors are strategically located in the prime blocks of the township and are 3 bedroom , G+ 2 structure units with rich construction specifications, excellent cross ventilation, natural lighting, spacious and luxurious interiors that offers the privilege of privacy living. Being located in 3 different blocks of the TDI City, Panipat, it enjoys close proximity to local shopping center, healthcare and academic institutions.

Speaking on the occasion, Mr. Aman Mehra, GM, Panipat, TDI Group, said,“ It’s a proud moment for us to launch My Floors – Independent floors in TDI City, Panipat. The unique concept of independent floors is new for the city and few developers have launched such independent floors in Panipat. These 3 bedroom independent floors are well conceptualized keeping in mind the additional benefit for each unit; ground floor units will enjoy the lawn area of 300 sq fts and the second floor units will have exclusive roof rights of 900 sq ft terrace, thus the privacy living aspect for each unit owner has been taken care of. He also added that, the development of the township is on fast pace and we have already offered many plots for possession, few villas are ready for possession and other services across the township will be ready soon.

About TDI City, Panipat:

TDI City, Panipat spread on the sprawling area of 300 acres; is a self sufficient integrated township offering plots of various sizes, beautifully designed villas, independent floors along with healthcare centers, primary and secondary schools, round the clock security, recreation centers, lush green parks and commercial complexes. Equipped with world class facilities and features, this well planned & ultra modern dream township would have wide and well lit metal roads, inter flowing green space, beautiful landscaping.

Infrastructure Growth in Panipat: The proactive infrastructure initiatives of HUDA have given a facelift to the old Panipat city. Sector 35, 36, 37, 38 & 39 will emerge as “The New Panipat”, as the upcoming Railway Over Bridge will connect these sectors with NH-1. L & T Express Highway, just 700 meters from TDI City has almost reduced 10 times the commuting time from NH-1 to TDI City with signal free and traffic free highway connectivity. With our combine holistic development approach with HUDA, TDI City, Panipat dwellers, undoubtedly will enjoy better connectivity, pollution free environment and all the comforts of living a quality life.
