Haryana Chief Minister Bhopinder Singh Hooda today said a Rapid Rail Corridor had been planned for Delhi-Sonipat-Panipat and Delhi-Gurgaon-Rewari-Alwar for which Rs 40,000 crore will be invested.

Mr Hooda stated this while speaking at a three-day exposition on 'Investment Opportunities in Sonipat-Kundli' in New Delhi today.

He described Sonipat as the future city of Haryana and said that Gurgaon, the millennium city, was the face of the country.

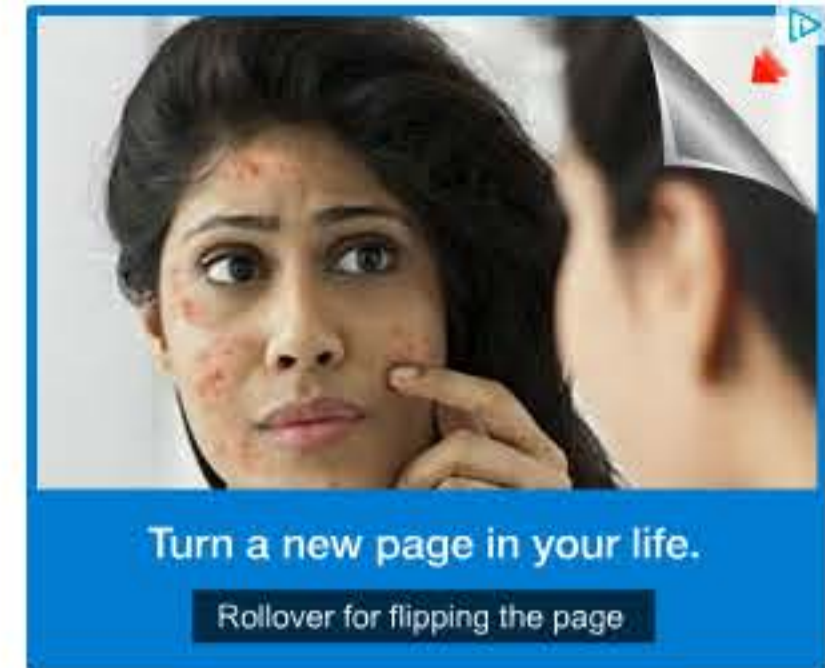

He said the Haryana Government had a plan for developing many more cities like Gurgaon. The state government was according top priority to provide connectivity. The Delhi Metro had been extended up to Gurgaon and it was being further extended up to Ballabhgarh and Bahadurgarh.

Delhi Metro would be extended up to Manesar in Gurgaon district. It would also be extended upto Kundli after reaching Narela. The Haryana Government would be contributing its due share for this project, he added.

Mr Hooda said a new railway line was under construction between Sonipat and Gohana, ultimately going up to Jind. He said Sonipat-Kundli area, located on national highway in the vicinity of Delhi, had great potential for development. It was connected with the six-lane NH-1, KMP Expressway and a major railway line. MORE UNI MA SY AS1825 NNNN
