

TDI Emperor Square

Realty major TDI Group has launched 'Emperor Square', a unique office and shopping complex in TDI City Kundli on NH-1. This state-of-the-art complex is an up market commercial destination set amidst serene landscaping with exclusive recreation zones. The complex will offer commercial spaces ranging in size from 204 to 300 sq yds. The posh complex will feature beautiful glass façade, vitrified tiles flooring, ample parking space and 24/7 security. It will house major retail brands across all categories and offices of leading business houses.

Emperor Square is part of a prestigious TDI City project in Kundli, just 2.5 Kms from Delhi border. TDI City is a 1500-acre integrated township which depicts all the elements of urban lifestyle with all civic amenities like clubs, hospitals and schools.

The complex is in close proximity to the national Capital. Many infrastructural developments like KMP Expressway, Rajiv Gandhi Education City, the six lane NH-1, proposed metro connectivity, IT Parks and National Institute of Food Technology Entrepreneurship and Management (NIFTEM) are situated in and around Sonapat region.

According to Sonia Kathuria, A.V.P Marketing, TDI Ltd., Emperor Square will reinterpret the traditional market places in India, while giving a high street shopping pleasure to its customers. It will cater to the business needs of inhabitants of TDI city, Kundli as well as its neighbouring areas.

The entire design of Emperor Square plays on the idea of blending indoor and outdoor shopping, while offering a pleasant shopping experience in an open air setting. Once completed, it will offer the same shopping pleasures of Khan Market and South-Ex markets of Delhi.. **RP**
