TDI LAUNCHES 'WELLINGTON HEIGHTS' IN MOHALI

CHANDIGARH: Stimulated by growing demand, a multitude of technological innovations have occurred in the realty sector especially in the way residential apartments are constructed.

Taneja Developers and Infrastructures Limited. (TDI), a pioneer in creating world-class townships and commercial spaces in India launched 'Wellington Heights', luxurious & comfortable homes in the vicinity of Chandigarh.

Strategically located at the Chandigarh-Kharar road, in Sectors 117, 118 and 119, TDI City Mohali, Wellington Heights by TDI City are

luxurious, comfortable and sustainable two, three and four BHK apartments. The property is definitely unmatched as it fulfils the aspirations of the consumer. This development boasts on 200 feet. Wide Road leading to International Airport and is also centrifugal point of convergence as it caters to an eclectic segment with diverse housing needs.

Speaking on the occasion Sanyam Dudeja, COO - Punjab, Taneja Developers and Infrastructure Limited, said, "Today innovation, intelligent

EXPANDING HORIZONS

designs and comfortable sustainable homes is what people look for while buying a property. Wellington Heights are plush green apartments by TDI city. They ensure that your need for comfort and sustenance are met, without compromising on anything."

Wellington Heights is a much sought-

after property. The development is in full swing and its proximity to all key areas in the tri-city makes it even more desirable. Comprising a total of 9 towers with 11 story buildings construction level in a few tower has already reached upto the 6th floor level. There are 396 flats in total out of which the number of two BHK flat are 264 (of 1186 sq ft area), three BHK are 122 (of 1684 sq ft area), and four BHK are 10 (of 2333 sq ft area).

There are sufficient car parks (still open) and 24 hr power back up. Sample flat is ready and the possession of first phase will be handed over by the end of next year. TDI is the flagship company of Taneja Group. Since its inception for more than two decades ago, TDI has carved a niche for itself in the burgeoning field of real estate development and construction. For over two decades, the company has consistently set quality benchmark in property development.
